Fischbach first joined YouTube on March 6, 2012, creating a channel under the username "Markiplier", and uploaded his first video on April 4, 2012 (which is no longer on YouTube).^[17] Fischbach's original intent for the channel was sketch comedy where he would be portraying all of the characters in the sketches.^[18] This led to the creation of the name "Markiplier", a portmanteau of Mark and multiplier.^[18] Fischbach's first series was a playthrough of the video game *Amnesia: The Dark Descent*. After playing several other game series, including *Penumbra* and *Dead Space*, YouTube banned Fischbach's AdSense account, and he created a new channel on May 26, 2012, markiplierGAME.^[19]

Hiatus and breaking 10 million subscribers (2015)

Beginning in 2015, Fischbach lived with fellow YouTubers Daniel Kyre and Ryan Magee, who created and ran the YouTube sketch comedy and music channel Cyndago. Matt Watson from Kids w/ Problems later joined Cyndago after they moved to Los Angeles. Their work was noted for having unexpected endings and dark, often disturbing, humor.^{[23][24]} Cyndago disbanded following the death of Daniel Kyre.^[25] At the time of their disbandment, the group made forty sketches and fourteen original songs, many of them featuring Fischbach.^[23] After the death of Daniel Kyre and disbandment of Cyndago, Fischbach temporarily went on hiatus from September 17, 2015 to October 5, 2015.^[26] He returned and reached 10 million subscribers on October 15, 2015.^[27]

Continued growth

(2015–present)

Revelmode was disbanded in early 2017 as a result of PewDiePie being cut from Maker Studios. He subsequently signed to another Maker Studios sub-network, Polaris.

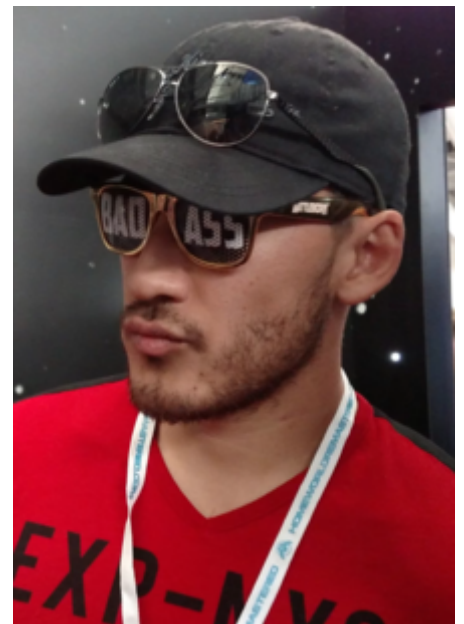

Throughout 2016, Fischbach moved some of his focus to comedy sketches, showing his aspiration of improvisational theatre. In 2017, Fischbach posted an interactive *Choose Your Own Adventure*-style video titled "A Date With Markiplier", which was well-received by fans.^[30]

On March 29, 2018, Fischbach announced his YouTube channel had surpassed 20 million subscribers.^[31]

On June 19, 2018, Fischbach's step-niece, Miranda,^[32] was killed in a car accident at the age of 19.^[18] He released a video 5 days later on June 24 titled "update" announcing the news and that he would not be able to make videos for a while.^[33] Two days later on June 26, Fischbach released a video titled "Special Message from Miranda's Dad", where Mark talked more about Miranda and Miranda's dad, Michael, thanking Fischbach's fanbase.^[34]

In October 2019, Fischbach announced a new *Choose Your Own Adventure* story similar to 2017's *A Date With Markiplier*, a YouTube Originals production titled *A Heist With Markiplier*. Produced by Fischbach and Rooster Teeth, this series contains 31 possible endings and stars other YouTubers such as Rosanna Pansino, Matthew Patrick, and *Game Grumps*.^[35]

On November 15, 2019, Fischbach launched a new channel with fellow YouTuber Ethan Nestor called Unus Annus, a channel which planned to upload a video every day for one year, after which the channel would be deleted along with its videos.^[36] The channel rose to early success, gaining 1 million subscribers in its first 5 days and over 11.5 million video views in its first week.^{[37][38]}

Since 2017, he has voiced the character 5.0.5 in the Cartoon Network series Villainous.^[43]

In 2018, Markiplier announced the launch of a new fashion brand called Cloak, in a joint venture with Jacksepticeye.^[8] In 2020, fellow YouTuber and streamer Pokimane joined Cloak as a partner and creative director.^{[44][45]}
